CONDITIONS - BERLIN

The fee includes a preliminary talk, consultation, preparation of the songs you have chosen for the wedding ceremony, travel time to and from the venue and travel costs within Berlin. Susanne brings a small amplifier for her vocals and the instrumentals so that you and all your guests can hear her well. If a larger PA is required, there may be an additional charge. This may be the case, for example, for a very large wedding, outdoor events, etc. Of course, we will discuss this in advance.

CONDITIONS – OUTSIDE BERLIN

Outside Berlin there are travelling costs (0,40€ / km), as well as an extra charge of 25€ per additional hour of travel time.

“THE DAY“

Susanne will be on site on your wedding day at least 45 minutes before the performance. She will set up her sound equipment and do a short sound check to make sure that everything works. So you don't have to worry about anything on site. Susanne may need a power connection for the sound equipment and a weatherproof location - but we will discuss this in advance.

Depending on how long Susanne will be with you and where your party is taking place, she will need appropriate catering. In any case, please bring still water, the rest will be discussed individually.

OTHER THINGS

If you want to "move" location between the wedding ceremony and the programme afterwards or if there are longer breaks in between, please let us know. Depending on the effort / time involved, there may be an additional charge.

THE REPERTOIRE:

You can choose from all of these songs, other songs on request!

We can also advise you individually.
